

# Performer

The logo for 'a dec' features a stylized white caduceus symbol (a staff with two snakes and wings) positioned above the lowercase letters 'a' and 'dec'. The 'a' is small and lowercase, while 'dec' is larger and lowercase. A registered trademark symbol (®) is located at the top right of the 'c'.

# The A-dec Difference

Legendary A-dec reliability.

A-dec has earned a reputation over many years for creating what may be the most durable and reliable equipment available. It is a reputation due largely to our dedication to quality as well as clever yet simple engineering design, which also leads to ease of equipment maintenance.

A-dec offers a very wide choice of equipment so no matter how you and your team want to work, we have solutions to suit. The equipment is also designed to have outstanding flexibility of movement, so everything can be positioned to maximise ergonomics and efficiency.

## The Performer

With the new Performer, you're assured comfort and simplicity. It's part of what makes A-dec, A-dec.

Designed to give you flexibility, plus access and comfort. Performer answers the need for less complexity, lower cost and exceptional choices.

## Features overview

### The Performer

Designed to give you flexibility, access and comfort. Performer answers the need for an entry level option designed with a rich feature set that supports productivity.

The delivery system can be mounted either on the front hub of the chair or onto the rear mounting point. This makes the unit more flexible and offers different set-ups for patient entry/exits.

The Performer is known for its reliability and now with added functionality and a multitude of options available, you can be safe in the knowledge that this is a chair built for longevity.
